

Remarks:

Allowable Subject Matter

The examiner is thanked for allowing claims 3-5 and 11, and claims 7-11 if rewritten not to depend from a rejected claim.

Due to a clerical error the limitations of claim 4 were inadvertently also included in claim 3. As acknowledged by the Examiner in the previous Office action, claim 3 is allowable if rewritten to include the limitations of claims 1 and 2. Accordingly claim 3 has been rewritten here in the form suggested by the examiner, in which the limitations of claims 1 and 2 (but not claim 4) are included in claim 3.

Claim Rejections - 35 USC 102

Claims 6 was rejected over Gardner.

Claim 6 has been canceled and the limitations of claim 6 included in claim 7. Thus claim 7 has now been rewritten in independent format as suggested by the Examiner, and claims 8-10 depend from this new allowable claim.

Claims 10 and 11 have been corrected to avoid the “may” language which was inadvertently included in the claims.

It is respectfully submitted that all of the claims remaining in the application 3, 4, 5, 7-11 are now rewritten in allowable form as indicated by the Examiner and early allowance is respectfully requested.

Respectfully Submitted,

Dated: 12/2, 2004
